Subject: Items Required for Completion of Permit Transfer, Michael Sprunger, ML 47821 & MI 46956/Cubical 2, S/023/057, Juab County, Utah

Dear Messrs. Sprunger and Pyne:

On May 18, 2015, the Division of Oil, Gas and Mining received an application to transfer the referenced Notice of Intention to Commence Small Mining Operations (Notice) for the ML 47821 & MI 46956/Cubical 2, S/023/057 from Michael Sprunger to Topaz Mountain Adventures. The transfer is conditionally approved upon receipt of the items below.

1. A signed Reclamation Contract (Form MR-RC) and reclamation surety in the amount of \$8,300.00. Please contact the bonding coordinator, Penny Berry at (801) 538-5291 or [pennyberry@utah.gov](mailto:pennyberry@utah.gov) to obtain the appropriate bonding forms.
2. Replacement pages for the Notice of Intention showing revised ownership and control information and a signature page. Enclosed is a blank copy of the MR-SMO and the current NOI. The form is also available on the Division's web site at [http://linux1.ogm.utah.gov/WebStuff/wwwroot/minerals/permit\\_forms.html](http://linux1.ogm.utah.gov/WebStuff/wwwroot/minerals/permit_forms.html).

The Notice includes three sites, and the reclamation surety is based in part on acreage. The surety currently covers a maximum disturbance of one acre for all three sites. The Division would need to receive additional surety and an amended Notice if the acreage is to be exceeded.

Please contact Wayne Western at 801-538-5263 or me at 801-538-5261 if you have questions regarding this letter.

Sincerely,

Paul Baker  
Minerals Program Manager
